

would create more red tape by imposing over 60 new barriers in the federal rulemaking process.

One of the most burdensome provisions in this legislation requires agencies to conduct a cost-benefit analysis for all proposed rules and possible alternatives, even if the rule is limited in scope and has a minimal economic impact. Moreover, agencies would be obligated to adopt the option that was the least costly in the short term, without taking into account the long term impact and costs it would have on public health and safety. This is a myopic way to govern and would create paralysis within the rulemaking process.

President Obama has already implemented significant reforms to the rulemaking process. In January 2010, the President signed an Executive Order that required agencies to determine if the benefits of proposed rules are justified considering their cost to society. He required an interagency review of overlapping rules and regulation between agencies that may prevent innovation in the private sector and instituted a policy to allow agencies to consider input from affected public and private stakeholders and experts when developing rules and regulations. Moreover, federal agencies under President Obama issued significantly less rules during his first four years in office when compared to President Bush's first term.

At a time when Congress should be doing everything it can to create jobs and improve the economy, this bill is nothing but a distraction. I urge my colleagues to oppose it.

RECOGNIZING CATHOLIC SCHOOLS WEEK 2015

HON. MICHAEL G. FITZPATRICK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, January 26, 2015

Mr. FITZPATRICK. Mr. Speaker, it comes as no surprise that the 2015 theme for Catholic Schools Week is "Catholic Schools: Communities of Faith, Knowledge and Service." As a man of faith and a graduate of Bishop Egan High School in Fairless Hills, I can tell you that both my wife Kathy and I have benefitted greatly from our value-centered Catholic upbringing. As have each of our six children—Katie, Maggie, Molly, Jimmy, Mick and Tommy.

In the 8th District of Pennsylvania, we have so many proud Catholic institutions to send our children to. The commitment of the Archdiocese of Philadelphia to our local community

is unmatched. These local institutions have spent years building solid communities of faith and knowledge—all of which give back to the greater community in many ways. The rigorous academic curriculum, coupled with spiritual teachings of passion, kindness and respect, give our children the background they need to be upstanding citizens.

In the words of Pope Francis, "It is important not to turn in on ourselves, burying our own talent, our spiritual, intellectual, and material riches, everything that the Lord has given us, but, rather to open ourselves, to be supportive, to be attentive to others. Set your stakes on great ideals, the ideals that enlarge the heart, the ideals of service that make your talents fruitful. Life is not given to us to be jealously guarded for ourselves, but is given to us so that we may give it in turn." Our Catholic School upbringing teaches us to be the best that we can be, and in turn, use the skills that we acquire to give back to the community. I truly value everything that our local Catholic Schools bring to our area, and I am honored to celebrate with you this week.

RECOGNIZING MR. BOB GODSHALL

HON. MICHAEL G. FITZPATRICK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, January 26, 2015

Mr. FITZPATRICK. Mr. Speaker, I rise today to honor a dear friend of mine, Pennsylvania State Representative Bob Godshall for the 50 years of service he has given to our community, and the state of Pennsylvania. Representative Godshall has served 32 years in the Pennsylvania Legislature representing the 53rd District in Montgomery County, PA—an area which encompasses the Indian Valley portion of my Congressional District.

Prior to his work in the legislature, Bob served 3 years as Montgomery County Controller, and 17 years on the Souderton School Board. He also served 3 years as Montgomery County Open Space Director, where he helped bring Montgomery County's beautiful park system to fruition. Bob was also instrumental in the creation of the United States Constitution Center in Philadelphia—a place where thousands of visitors come to pay tribute to the founding fathers each year.

Aside from his many accomplishments, Bob has also been very kind, generous and supportive of me in my work representing the 8th Congressional District. In 2012, when I found out that my district would be taking on a new portion of Montgomery County, Bob was the first person I called. Everyone in the Indian Valley has a story about Representative Godshall, usually involving Bob "helping them, their family or their neighbor." I've never met anyone more dedicated to his community and beloved by the people who live there.

Bob—it's been a pleasure working with you and getting to know you over the past few years. Thanks for everything you have done, and continue to do for our area.
